

## TASTE OF INVERCLYDE

What's it all about?

As part of the Scottish Food and Drink Year 2010 you, your family and friends are warmly invited to come and discover a Taste of Inverclyde at various restaurants, coffee shops, bars and other food establishments over the long weekend Friday 10th to Monday 13th September, in association with Discover Inverclyde, the local tourism, retail, leisure and arts business group. There is also the opportunity to enjoy food demonstrations, to 'taste' local sports free of charge and see our local architecture.

This leaflet gives brief details of all the participating outlets offering special dishes, discounts and special offers over this special weekend.

Please contact each outlet to learn what they have on offer. Details will also be appearing in the Greenock Telegraph who will also give regular updates of new offers arranged after this leaflet went to press.

...and look out for a special competition in the Telegraph to win a set of four tickets to see the magical show Footloose at the Arts Guild on Saturday 11th September.

...and enjoy some extra
